Police Asking for Information on Robberies

Durham police investigators are asking for information about two robberies that occurred April 12 in the 600 block of Cecil Street.

The first robbery happened at 10:40 p.m. when a male armed with a gun entered a house through an unlocked door and robbed the two occupants of a laptop computer, two cell phones and cash.

Two minutes later a Domino's pizza deliveryman who had pulled into a driveway to deliver a pizza was approached by a male armed with a gun. The male demanded the victim's cash and then fled on foot.

The suspect in both cases was described as a black male with a light to medium complexion, 18 to 21 years old, 5 feet 7 inches to 5 feet 9 inches tall with a medium build. He was clean shaven and had two-inch twists or braids in his hair. He was wearing dark denim jeans, a dark-colored hooded sweatshirt and a navy or black baseball hat.

Anyone with information is asked to call Investigator Sterling at 560-4415, ext. 29303 or CrimeStoppers at 683-1200. CrimeStoppers pays cash rewards for information leading to arrests in felony cases and callers never have to identify themselves.
