## Durham Man Wanted for Murder

Durham police investigators are trying to locate Marcus D. Cox who has been charged with murder in the October 14, 2008 shooting death of 19-year-old Lamont Monty Brandon Jr. on North Hyde Park Avenue.

Brandon and 25-year-old Way Holloway were riding a moped in the 1300 block of North Hyde Park Avenue around 8:45 p.m. when a male got out of a car and fired several shots. Brandon, who was shot in the torso, was taken to Duke University Hospital where he died a short time later. Holloway was treated for a gunshot wound to the hand.

Last November investigators arrested 24-year-old Alton Dewayne “Popeye” Sanders and charged him with murder in the case.

Cox, 21, of Sedgefield Street and West Knox Street, is charged with one count of first-degree murder. Cox frequents the areas of Walltown, Lowry Street, Junction Road and Hyde Park Avenue.

Anyone with information on the whereabouts of Cox is asked to call Investigator Robinson at 560-4440, ext. 29335 or CrimeStoppers at 683-1200. CrimeStoppers pays cash rewards for information leading to arrests in felony cases and callers never have to identify themselves.

**UPDATE: Cox turned himself in to police on June 2**
